YQ Anywhere

Our Goal:

To equip young adults 17-21, with independent living skills to be as self-sufficient as possible.

YouthQuest's Programs:

Apartment Living - Licensed by the Virginia Department of Social Services

Young adults receive 1:1 case management, on-site supervision, training and support. Sites are located near community colleges, entry level employment and public transportation.

For Moms and Dads - Licensed by the Virginia Department of Social Services

Young moms and dads receive parenting skills training through the use of Nurturing Parenting Program, 1:1 case management, on-site supervision, training and support and linkage to community resources.

Anywhere - Community based 1:1 case management services, training and support while practicing independent living skills in their biological homes, on their own, with family, foster homes, with a roommate or in a dormitory.

YouthQuest's Advantage:

- Improve family/community connections and create positive adult connections
- Programming is a balance between support and freedom for young adults
- Improvements on Casey Life Skills Assessment score
- In line with Fostering Futures' goals
- Psychiatric services offered by Intercept's TrueNorth Health Clinic
